### **Limited Review Report**

Review Report to The Board of Directors

#### PRATIKSHA CHEMICALS LIMITED,

We have reviewed the accompanying statement of unaudited Financial Results of PRATIKSHA CHEMICALS LIMITED ('the Company') for the Quarter and half year ended 30<sup>th</sup> September, 2015 (the "Statement"), being submitted by the company pursuant to the Clause 41 of the Listing Agreements with the Stock Exchanges, except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have neither been reviewed nor been audited by us. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the statement based on our review.

#### Scope of Review

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountant of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statements are free from material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

#### Basis for Qualified Conclusion

- (i) Adhering to significant accounting policy, the company is accounting for Gratuity & Leave encashment on cash basis. This is not in accordance with Accounting Standard 1 on "Disclosure of Accounting Policies" and Accounting Standard 15 on "Employee Benefits" prescribed by the Institute of Chartered Accountants of India and contrary to provision contained in Section 128(1) of The Companies Act, 2013. The extent of non-compliance in terms of value is not ascertainable.
- (ii) Accounting Standard 2 for "Valuation of Inventories" has not been followed. The technical valuation claimed by company is not quantifiable hence; we are not in a position to quantify the effect on the profit and loss account and balance sheet.

#### **Qualified Conclusion**

Based on our review conducted as above and subject to basis for Qualified Conclusion, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results has not been prepared in accordance with applicable Accounting Standards specified under Section 133 of the Companies Act, 2013 read with rule 7 of the Companies (Accounts) Rules 2014 and other recognized accounting practices and policies and has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
